

Updated July 2010

Key to Owners:

R&MCC Community Council
 RMA Radyr & Morganstown Association
 CCC Cardiff County Councillor

PROJECT AREA	PROJECTS AND COMMENTS	PROJECT OWNER	Comments and updates
Gap analysis of Radyr & Morganstown	What facilities have we got now and what do we think we should have	R&MCC NH to lead scoping exercise.	Helena Fox to distribute relevant summary from Cardiff U SPG report
Publicise new and existing facilities	Publicise what we have	COMPLETED	Booklet to be sent to all residents with VP document July-August 2010 via RMA distribution network. Tyrone Davies is happy to deliver to all Sidings.
Contact people identified from Questionnaire	Those who agreed to help and give further information.	RMA	People were contacted but no report back as yet. Relevant questionnaires to be stored in OCR.
Local Environment and Leisure	Identify where help is needed by leisure groups	RMA	Cyril Williams' project : not started
	Publish lists of local walks and cycle routes	RMA	Started: Allan Cook and Cyril Williams. One walk drafted. Project will be on-going with 6 routes planned.
	Promote the Taff Trail and Roald Dahl connections	RMA	To be a joint project with Llandaff for the 2016 anniversary.
	Consider future use of the Mound Field including the Rugby Club facility	CCC/RMA	Rod McKerlich reports that the working group will meet soon

	Research a site for possible future leisure centre	COMPLETED	There are no suitable sites for R&M at present. Only resurrect if further developments in R&M
	Research better youth club/centre facilities	R&MCC	<p>With the library staying in Park Road the possibilities for youth facilities at the Sidings appeared to have gone.</p> <p>A local community enterprise project led by the Church Trust for a community building was on hold during the library consultation. The project report that there is capital available from several sources with a shortfall of 40%.</p> <p>The building may include facilities used by CCC, which would enhance the case for the S106 to be varied. Rod McKerlich is to be up-dated along with other community representatives.</p>
	Consider extending hours of current facilities by floodlighting	CCC	This will happen at the new facility at Radyr Comp. Skate park? David Silver to follow up with Rod McKerlich.
	Explore opportunities of opening schools for greater community use	R&MCC	DS to consider letter to be sent to schools. This depends on CCC's school reorganization plan. The primary schools can be approached.
	Find out if existing societies and groups cover the needs of today's community	RMA	Links to Gap analysis and 'Identify where help is needed by leisure groups'. So, covered by other projects.
	Publicise new groups on website and encourage existing groups to get web pages	COMPLETED	Completed in the sense that the webteam has taken this over and are doing it.
	Improve play areas and investigate the addition of adventure play equipment	R&MCC	HF to tell Environment Committee about possible new equipment at Radyr Gardens play area.
	Review use of Pentwyn Park	R&MCC	Boules pitche (s); environmental event October 2
	Work with community groups to improve the local environment	All groups	<p>Friends of Danybryn Woods established and continuing.</p> <p>R&MCC taking over of grass cutting of areas at Windsor Ave and Willow Tree Close.</p> <p>Consider entry in a competition via, e.g. Cardiff in Bloom or Best Kept Village.</p>

			Gateway sign to R and M designed by primary or Radyr Comp. To be referred to Environment Committee of R&MCC
	Develop a newcomers' welcome scheme	RMA/ R&MCC	NH to follow up with David Cargill on pack contents. The cover has been designed.
	Support a new walking and cycling route to Hailey Park, Llandaff North	CCC	Rod McKerlich reports : This has been the subject of several meetings and I hope to report positive progress in 2-3 months
	Radyr Sidings Community Plot : work with Cardiff Council to secure this for the community and support any resulting project	R&MCC	A local community enterprise project led by the Church Trust for a community building was on hold during the library consultation. The project report that there is capital available from several sources with a shortfall of 40%. The building may include facilities used by CCC, which would enhance the case for the S106 to be varied. Rod McKerlich is to be up-dated along with other community representatives.
	Promote Website and increase use and involvement by young people	Webteam	TD has link to employment agency for work placements, esp in IT. TD will make contact with Colin Johnson, webteam. Include VP pages on new website. HF to get pdf version to go online. Expand VP page online.
	Promote the submission of articles to Chain and increase involvement by young people	Chain Gang	Explore wider links within community
	Encourage new volunteers to become involved with the Radyr Chain and the R&M website	Webteam / Chain Gang	Continuing. E.g. Welsh Bacc students.
Links with Police and Community	Tackle current problems by working with local police to improve community policing systems, e.g. PACT	Chair of PACT	NH will copy communications plan to oversight group and will talk to PC Tebbutt and Ralph Vaughan.
	Police run Community Safety	Police	Not aware of further events to date.

	Initiatives		
	Neighbourhood Watch to carry out membership drive in R&M	Neighbourhood Watch	Continuing. Membership drive done.
Traffic and Road Safety	Support projects to reduce congestion and traffic impact in the community	R&MCC/CCC	Continuing.
	Encourage a walking-to-school initiative	R&MCC/CCC	Rod McKerlich reports : Responsible officer and local police have been involved
	Extend the pavement for north side of Windsor Road	R&MCC/CCC	Rod McKerlich reports that this is not a priority for CCC.
	Resolve parking problems	R&MCC/CCC	Continuing
	Make safe the Kings Rd/Ave junction	COMPLETED	Yellow lines painted on corner.
	Lower speed limits by schools	R&MCC/CCC	Rod McKerlich : not a possible project at this point.
	Lobby for a Min y Coed/Heol Isaf crossing	R&MCC/CCC	Rod McKerlich reports that this is not a priority for CCC.
	Continue to monitor and respond to J33 International Business Park and its impact on R&M	R&MCC/CCC	Continuing
Shops/Facilities	Write to pubs and breweries about local demand with possible locations	R&MCC	HF to ask Sue Philpott for update
	Complete hanging basket project in Station Road	RMA	Continuing
	Encourage shopkeepers to set up an association	RMA	Link to hanging basket project.
	Work with existing shops and bank to review opening hours for the benefit of the community	RMA/R&MCC	See above.
	Work with Cardiff Council to improve the library including extending opening hours and any project to refurbish, rebuild or relocate	R&MCC	Continuing.
Education and	Encourage the setting up of school	R&MCC	Survey parents to find specific requests. KW to raise with
