

Can you believe it?

Mondays at 7.30pm at St John's Church, Danescourt

Long ago, the followers of Jesus claimed that God had raised him from the dead.

What did they mean? What did they believe? What do you believe?

Is this just another miracle story? Do miracles happen?

Does the biblical narrative still have power to change lives?

Bring your Bible, bring an open heart and mind, bring yourself and let's do theology together.
