### **3/ PACT priority updates**

a) Motor Cycle Annoyance- There has been some success in the area with 1 bike being seized and 3 bikers given fixed penalty notices for riding in and around the Quarry and along the Taff Trail. This is a problem throughout Cardiff. A joint operation is planned with the Council and Police off road teams.

b) Designated Bus Stop on Heol Isaf- The Councillor has been advised that the only action would be for a designated parking area for the buses. However, it has been noted that the bus drivers fail to use them as they have some problems getting back in to the traffic flow.

c) Neighbourhood Watch Participation- Currently the Ringmaster system is not working and the new system is awaiting approval before going live. PC Tony Parker has taken over the role of Ringmaster Guru and will be happy to attend a PACT meeting to discuss his role.

### **4/ Other issues raised**

#### **a) Parking and Speeding on Heol Isaf**

The police motor bike speed camera had been set up by Gelynis Farm. There are no feedback of statistics from their actions. Residents were advised there were only 2 speed camera signs between Min-y-Coed and Morganstown. Paul will speak to the Safety Camera Partnership to see what can be done.

It was felt that the road conditions needed up grading but were advised that there was limited funding and the local priorities were a long way down the list.

From 5<sup>th</sup> July Civil Enforcement Officers will take over the role of the traffic wardens. Residents were given a copy of their role and responsibilities.. The cost of this service is half million pounds to set up and needs to be self funding. The Councillor advised they will be set an initial target of one booking per hour.

Councillor McKerlich advised that a bus shelter was to be installed along Heol Isaf. The site of the bus stop is still to be decided.

**b) Crime Statistics-** In the 4 weeks since the last PACT meeting there had been 74 occurrences with 9 crimes and 6 arrests. Crimes included 3 Burglaries, 2 Criminal damage (1 to vehicle, 1 to fence), 2 theft of cables and piping, 1 theft of mobile phone and 1 theft from motor vehicle.

Radyr Primary have had their toilets refurbished, Bryn Derwyn have had Astro turf, laid, Bryn Deri has had their staff room extended, Radyr Primary is having an outdoor teaching area and wooden gazebo area
