1 An apology for absence was received from Councillor R McKerlich.

4 The monthly report by Councillor R McKerlich had been circulated on the various websites. There were no matters arising.

5 P C S O L Smith produced and discussed the latest crime figures pertaining to the R & M Area. Mr D Cargill will circulate these figures on the Neighbourhood Watch Website. As always, residents were encouraged to keep their cars and outbuildings secure.

a There were still heavy lorries traversing Heol Isaf. PCSO Smith would liaise with the Traffic Department regarding this issue. In the meanwhile, residents were asked to record the numberplates of these lorries and report them to H M Police Force.

b The Chairman had received several reports regarding parking on the lower end of Windsor Road. As cars were parked on either side of the road, it was becoming increasingly difficult to turn off Heol Isaf. If another vehicle was coming in the opposite direction, those drivers trying to turn into Windsor Road were unable to do so. This stagnation was potentially dangerous for both pedestrians and drivers. It was proposed that double yellow lines could be applied to one side of the road. The Chairman was asked to write to Councillor McKerlich to try and seek a solution to this problem.

9 The date of the next meeting will be on the 19th of May, 2015 at 19-00H.
