

Radyr 8 - 80+

Life Before Computers

Could you please advertise and let community members know all about our first connect 8-80 + meeting.

This meeting is supported by Age Cymru and aims to combat growing isolation in our community by connecting children and older community members.

Radyr Primary Pupils are inviting any grandparents, neighbours, community members or family friends to join them for a cup of tea to talk to them about 'Life before Computers'.

Everyone welcome including any helpers who can come along to help make the teas.

Radyr Church Rooms.
12th October 2018 at 2.00pm
